

The Neighborhood Network Alliance

Request for Proposal

RFP: Songwriter	Proposal Due By: August 30	The Neighborhood Network Alliance
<p>Project Overview:</p> <p><i>We are looking for a contractor to create, produce and record a theme song for the NNA, excerpts of which will be used for the “Hey Neighbor!” podcast. The preference is that the songwriter be Chicago-based or have strong ties to Chicago.</i></p>		
<p>Project Goals:</p> <p>Create an original song that will be catchy, memorable and become synonymous with the NNA. The song should reflect the “vibe” of the South Shore Community and while not necessarily needing written lyrics, the phrase “Hey Neighbor!” should feature prominently in the song. The song will become the property of the NNA for its exclusive use. The songwriter will receive full songwriting credits at the end of each podcast.</p>		
<p>Scope of Work:</p> <p>We are looking for a musician to write and produce a theme song for the NNA’s “Hey Neighbor!” podcast. The song must be at least one minute in length and appropriate lyrics, music, and sound bites. At least three 20 second samples must be provided to allow the NNA to choose which best fits our vision for the project. The song will be at least one minute long and will be completed with a loopable instrumental. It should be delivered as a WAV file.</p>
